
“Women Graduates-USA empowers women world-wide to secure a better world through education, advocacy, friendship, and mutual support.”

WG-USA believes that the cornerstone for a peaceful world society will be women and girls empowered by universal education and economic security and able to advocate for themselves and their communities.

Women Graduates-USA seeks its membership from women graduates who live in the United States or who are U.S. citizens living abroad and interested in international issues concerning women and children. The organization provides online activities such as discussion groups, resource material, and networking capabilities with members from more than seventy national affiliates of the International Federation of University Women.
